BABY SITTING HANDBOOK

We understand that having children can disrupt your running schedule. We can help. On our scheduled Tuesday and Saturday runs out of the Mariemont store, we will offer baby sitting services for your children aged 2 to 12.

We are here to watch over your child while you run. We will ensure a safe environment. However, we are not a daycare service. As a result, we will not engage in arts and crafts or other activities to stimulate your child. Any devices or toys that will keep your child occupied is encouraged and recommended. We have wireless access and your child can connect to the internet. We have a television in our store where child appropriate programming will be on.

There is a refrigerator in the building where any choke free snacks and drinks can be stored.
